crossville, 16.07.2026, 01:47 Time

USPA NEWS - The Annual Knoxville Comic Con/FanBoy Expo Event that went on from July 10th-July 12th of 2026 ,
This FanBoy was Awesome, They had Ron Perlman, Shia LaBeouf and many others their at this event.
As a Reporter , I was taking some pictures and just networking with other actors and other creative artists and next thing you know ; this unusual looking lady "Shouts at me" saying " You can't take photo's in here ." However, as a reporter I asked around "other movie goers" claimed nothing like that "happened to them." Christopher Free said "He was shouted at too for taking photos at the Comic Con by the same person." We both had Press Passes at the event , I had mine around "my neck" and he had his in the, "back of his pants". So, it's not like we're "Stalker Creeps" we felt that way at the Comic Con event but Still had fun though networking and talking with these people.
We just ask for a better Experience Next Time and No Shouting at Us like that at-least talk to us and we would be happy to show our credentials and paper work.
Christopher Free said "he had fun talking to "Todd Bridges" and I had fun talking to Ron Perlman, Todd Bridges and both of them are Really Great Talented Actors"

In the Middle of the Day Samuel Flynn and Christopher Free both head to Ron Perlman's Q and A panel just to see what is going on in there and some people had some questions to ask the guy. Some asked about his Role in "Sons of Anarchy" and some questions about his Role as "Hell Boy" and what I like about him the most is he tells like it is. Some of the other featured actors that were at the Fanboy Comic Con was Shia LaBeouf and he is an Amazing actor from "Indiana Jones" ,"Transformers" & "Eagle Eye".
I was going to ask if I could talk to him it was a definite "NO" from Staff and I was only going to introduce my self and see If I could give him a business card for networking which I haven't said anything about this Yet but Most of my readers and subscribers do not know I work for "Holywood Studios U.S. P.C. " which is a faith centered and faith based production company and It's the Norms in California to go to events and Network. I will say I absolutely Do not know where Tennessee Stands for this 21st century day and age for networking with Actors. Samuel and Chris Both had lots of fun at this event and Glad to network and meet people. Lets do better Tennessee.

Now FanBoy Q and A , their website says we can bring cameras and Camcorders So we wonder why were we "shouted at" and the lad claimed to have me escorted out . I do not know who put her in charge when the website says the opposite of what factual information she was saying but its okay we forgive here .
We did try to reach out to fanboy to ask questions about the press passes before coming or arriving to event and no one got with us.
